United States Attorney's Office for the Western District of Missouri

Register today for LECC annual training seminar

The United States Attorney's Office Law Enforcement Coordinating Committee is in the final stages of planning its third annual training seminar, which will take place from Aug. 24 to 26 in St. Joseph, Mo.

The three-day training seminar will be held at the Holiday Inn Riverfront Hotel. Law enforcement officers interested in attending the event can fill out the registration form on this page and submit it to the LECC.

The seminar will include approximately 16 hours of P.O.S.T. approved training. The cost for the training seminar is \$75 per registrant, which includes two breakfasts, one lunch and a dinner banquet.

Previously, the training seminars have taken place in Branson, Mo. The location was moved this year in an effort to accommodate Northwest Missouri law enforcement. Of course, all law enforcement officers interested in this year's annual training seminar are invited to register as soon as possible.

In past years, the seminar has been a great success. Each year has yielded more than 100 guests. The Law Enforcement Coordinating Committee expects the same to be the case this year.

For more information, contact Les Kerr, Law Enforcement Coordinator for the U.S. Attorney's Office, at (816) 426-4197.
